- Only nominated TAB tote terminals/windows may be used for betting in the Challenge.
- The team with the highest balance after the last race wins the Trophy and prizes of Lion Red merchandise. Teams keep any team winnings remaining after the last race.
- At least two jackpot prizes will be allocated by lucky draw (one chance per team). Amounts and number dependent on the number of teams entered. Decision made on the day but not less than \$500 distributed by jackpots, subject to a minimum of ten teams being entered.
- The decision of the WRC Official Coordinator is final.
